THE MARGUERITES PRESIDENT

Welcome to the second Christ's College termly sports review! Lent 2009 has proved to be a successful term for college sport and a good proportion of students, 30 or 40, have also gone on to represent the university at some level – we currently have 4 Blues Captains, 5 Hawks and 3 Ospreys; a record any college would be proud of!

The Marguerites Club believe that sport within College is crucial and allows many students to escape from the stresses and strains of academia. As the College sporting society, we are always looking for ways to raise the profile of sport within college, and we hope that these termly reviews will be one positive way we can do so. So please read, enjoy and do not hesitate to get involve in any of the sports listed! Many thanks again to all of the Sports Captains whose contributions have made this publication possible.

Here's to more sporting success in 2009,

Yours in Sport,
AJ Nowell
Marguerites President 09/10

THE HONORARY PRESIDENT

Meeting Kieran West at the Marguerites Dinner last term is the closest ever I have got to handling an Olympic gold medal. But while enthusing over his great sporting record, which also included captaining the victorious Blue boat against Oxford), I recalled that his achievements go well beyond the sporting arena. Kieran completed a post-graduate degree in Education while at Christ's and, later, returned to Cambridge to write a demanding and successful PhD dissertation. In this report by the President of the Marguerites, you will read of impressive achievements by our current student members and I hope that some will keep an eye on London 2012 and beyond. It is not beyond the realm of possibility that I shall place my hands on another Olympic medal!

**Visvan Navaratnam,
Emeritus Life Fellow, former Director of Medical Studies**

THE MASTER

Congratulations to all who have contributed so much to College life through their engagement in sports. The success of our College teams, and of our representatives in University teams, is a source of great pride to all in College and to our alumni. I look forward to the annual award of College Colours to those students who have demonstrated exceptional ability or continued commitment to sport in College. And I look forward to the future achievements, in sport and more widely, of some very exceptional people.

**Professor Frank Kelly,
Master and Marguerite**

NOTABLE INDIVIDUAL ACHIEVEMENTS

Athletics: Didi Akinluyi was a member of the men's Blues side and won men's shot-put at VFEAR (varsity field events and relays; the indoor varsity match) '09 in Lee Valley. Didi is currently ranked number 1 in Cambridge for shot-put and is hoping to move up from 3rd in the Discus rankings.

Football: Stephen Harrison came off the bench in the men's Blues varsity football match, which Cambridge unfortunately lost 1-0.

Lacrosse: Gen Gotla lead the women's Blues lacrosse team to a 8-5 victory at varsity. Gen is co-captain of the Blues team and is also the coach for the whole squad (Blues and Kingfishers (2nds)).

Rowing: Eddie Surtees and Mary Bjorkegren represented the Cambridge University Women's Boat Club in the lightweight varsity race, unfortunately losing by two and a half lengths. Liz Box coxed the Cambridge University Men's Boat Club to a convincing victory in men's lightweight varsity race, winning by three lengths. All three have put in a huge amount of effort and commitment and thoroughly deserve their Half Blues.

Squash: Alexandra Bryant played women's Blues squash varsity and has been chosen to be the new Blues captain for next season. She has also become secretary of the Ospreys.

Transatlantic Row: Danny Longman was part of a 14-strong rowing team attempting to navigate the Atlantic Ocean in less than 33 days to raise £1m for charity. Setting off on January 4 from Gran Canaria, the team was ahead of world-record pace, rowing 100 miles a day, when a whale smashed the rudder of the £270,000 La Mondiale vessel. So, just 12 days into the challenge, they were left adrift in gale-force winds and 26ft high seas near the Cape Verde islands, off the coast of West Africa. After drifting for up to 24 hours they were fortunately rescued by a passing Russian cargo ship.

Waterpolo: Nick McLoughlin captained the men's Blues waterpolo team to a 15-11 victory at varsity. Nick has won eight Junior International Caps for Great Britain in total and will be a key player for Christ's in waterpolo cuppers next term.

ATHLETICS

(CAPTAIN: PETE WHITFIELD)

CAPTAIN'S COMMENTS

While there were no college athletics events this term it has given everyone plenty of time to do some training for next terms CUAC sports event on the 25th April, the final college event of the year! It will be a great chance for the team to improve on Michaelmas' result and a last chance for everyone to get noticed before Varsity. Hope to see you all down on the track on the 25th – all standards welcome, contact Pete Whitfield (pmw43) if you wish to participate.

Special thanks go to Jess and Yuliya- both of whom played extremely well throughout their final year here and will definitely be missed next year; we would not have enjoyed the success that we have without you two.

CAPTAIN'S COMMENTS

This term has been another successful term for the ladies badminton team. We entered Cuppers and beat Hills Road in the first round and Homerton II in the second round. This meant that we reached the quarter finals, where we were unfortunately knocked out by first division team Emmanuel (the eventual winners) in a very close match that saw our third pair (Katie and Shermayne) successfully win their games. Our performance in the league was very strong. After securing promotion last term we were playing in the third division. Despite the increase in the standard of the league we were still able to win all of our matches, once again finishing top of the league table. This means that in Michaelmas term we will be playing in the second division having been promoted twice in one season.

Women's 1st VIII winning Pembroke Regatta. W1 getting Lents Blades for 2 years running.

CAPTAIN'S COMMENTS: DUNCAN BULL

Lent Term had a mixed start this year, with a lot of bad weather and some slightly different squad based training for the Men's lower boats. Combined with our W2 crew having a small argument with the bank during the first race of the term, this led to a fairly interesting start to the term! However, all the crews very quickly settled down and got stuck into the training for the Lent Bumps, which always arrive sooner than you think! The top boats began posting some good times and were consistently among the top colleges, which looked very positive. Coming into the middle part of the term we suffered for several days with very high river levels and lost a significant amount of training time. The poor conditions also meant that several races were dangerous and meant lower crews could not compete, denying them valuable race experience. The conditions were so bad that one of the major head races, Peterborough's Head of the Nene was completely cancelled. After the weather settled down slightly, training resumed and all the boats continued to post very good times, with both M1 and W1 appearing in the top 3 of Newnham Short Course. The highlight of the term would have to be the 1st Women's crew winning Pembroke Regatta and really proving to the other colleges that they are still one of the fastest women's crews on the river.

This was the final event before Lent Bumps, which went very well with almost all crews going up. The full Lent results are summarised below, but particular congratulations must go to W1 for getting their Blades (again!). The end of the term saw both M1 and W1 competing in the annual Head of the River Races in London where it is possible to gauge our performance against most of the other rowing clubs in the country. Both top crews posted respectable times and compared very well to other crews of a similar level.

Overall the term has been very successful and the huge depth that has now been built up in the lower boat squads is now very evident, allowing strong competition for seats in the top boats. A huge congratulation must go to all the University representatives from Christ's who have done extremely well and are a fantastic advert for Christ's Boat Club. We are in a very strong position to look forward to next term, where I hope to see a lot of support out on the river for what should be a brilliant end of the year for Christ's BC!

CAPTAIN'S COMMENTS: PENNY THUESEN

The improvement seen in all 3 women's crews this term was phenomenal which is evident in the results. W3 were unfortunate to miss out on a place in Bumps by just a few seconds but they proved earlier on in the term that they were one of the fastest W3s on the river. W2 showed how much they had improved over the term by delivering a fantastic set of races when it really counted in Bumps. A particular highlight for W1 was beating our old rivals Caius in the finals of the Pembroke Regatta which was really a turning point in the term for us. From there, we went on to achieve the 2nd consecutive set of W1 Lent Blades finishing up in the 2nd highest position that a Christ's Women's Boat has ever been.

CAPTAIN'S COMMENTS

A term which saw the main goal, avoiding relegation, achieved thanks to key wins late in the season against St Catz and Trinity. The term started badly with a poor display against Girton, and the bad weather then prevented an immediate response. However, performances improved dramatically, with the determination shown to come back from a goal down against Trinity particularly pleasing. Moreover, the end of the season games saw the team playing with correct principles, demonstrating that the work done on shape on the training ground in Michelmas was paying off. An interesting Plate draw saw us defeat a local school side and European opposition from Cyprus, but dreams of glory came to an end with a penalty shootout defeat to Kings, a game which was marred when Gianluca Consoli became the first CCAFC player to be sent off since 1949. With the nucleus of the squad still here next year, and with the experience of a season playing together, next October should bring new and exciting times for the CCAFC.

CAPTAIN'S COMMENTS

This year has been a season of mixed fortunes for the Seconds. We have had some fantastic results against Caius and Selwyn which highlighted the strength of the squad. However, it has been difficult to get a consistent team out at times and this has been to our detriment. Having said that, the one thing I can say for the team is that they gave 110% in every single match and I am extremely grateful for that. Despite the fact that our results do not look too convincing, our actual performances have been of a very high standard and we have tended to lose games due to a momentary lapse in concentration. The team have been very lucky to have a number of talented freshers to take the team forward in the years to come.

Congratulations to Dirk who will captain the side next year; I wish you the best of luck. Dirk has been solid in goal all season and with Mr Reliable Ollie "Michael Macintyre" Kay alongside the CCAFC stalwart James Garner we have looked a lot more solid at the back. Our midfield dynamo Shane Murray has been committed as ever, covering every square inch of the pitch. Dan Hawkes has given everything to the club over the past three years and was rewarded with a couple of call-ups to the Firsts. His pace and flair will be missed next year. Thank you to everyone that has played for the team this year. At present we are unsure as to whether we have been relegated, but on our performances we don't deserve to go down. It has been extremely enjoyable to captain the side this season and I look forward to a successful year next year playing under Dirk.

Topher Hockey	Squanderer's (3rds)	Varsity 09

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

Topher Hockey has added some much needed skills and confidence in front of goal this season for the team and topped the score sheet for Christ's. Our regular right back Raoul Harris has had an impressive second half of the season and shown some notable improvement; partly due to his own self-critical nature and partly due to the hardwork he put into training over Christmas.

CAPTAIN'S COMMENTS

Starting this term in a new division, having been promoted at Christmas, was always going to be challenging. Pembroke and Girton were two very strong opponents in a league far below their station. Despite this Christ's have held their own and finished in a respectable mid table position, the only low point being a loss to a weak Jesus II team against whom, on another day, the result would have been very different. Although we did lose to the league leaders Pembroke and Girton we were easily their toughest games; we took an early lead in the Girton match and held it well into the second half but were unfortunate to eventually lose by a narrow margin, against Pembroke the tables turned and we went down three nil in the first half only to come back hard in the second half and punish them for resting on their laurels. It wasn't quite hard enough though and we finished the game 3-2. We took a 6-0 win from Sidney and a 7-0 win from Selwyn to complete our season. This term has been a highlight for me as captain; although the promotion at the end of Michelmas was well deserved and a great honour the standard of hockey in Lent has been the best i've ever seen in Christ's. On an individual basis players improved at an exceptional pace and as a team we played some good, intelligent and aggressive hockey. Whilst the team will be losing some skilled and dedicated players there is a solid foundation of younger players ready to take this team forwards. I have no doubt that the hockey club will continue this season's success and hopefully get another quick promotion.

CAPTAIN'S COMMENTS

Despite being extremely unlucky and having all but one of our matches this term cancelled, everyone somehow managed to massively improve! We dominated the first half of our match against a 14 strong Catz II team, due to some solid defending from Cheryl and Fran. Hannah Massey and Charleen were excellent in midfield and played some great balls up towards the forwards. Completely against the run of play, they managed to scrape a goal just before the half time whistle went. The second half was more even, as we grew tired and they made constant substitutions. We did however manage to win a short corner due to Chloe's stick skills. We failed to capitalise on this though and were stung by a counter attack to bring the score to 2-0. Our lack of goalie and tired legs began to show towards the end and Catz played some neat moves and slotted two more past us before the final whistle went. However it was lovely to see that no-ones head went down and everyone pushed right to the end - aiming to get that elusive goal we were looking for. A big thank you to everyone who has played this year, you ensured that I never had to cancel a match from our end and were unfailingly enthusiastic. I look forward to playing with you all next year, and congratulations to Chloe and Charleen.

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

Paddy Wildin has continued to be the keenest lacrosse player Christ's has ever had! As always we are so grateful that Gen and Oscar have continued to play for us despite their University commitments.

CAPTAIN'S COMMENTS

Although we have not been as successful this term as we were last term, we have managed to remain in division one of the league which is a great achievement. Additionally, in Cuppers this term we did really well - we got through the group stages and played in the Quarter Finals where unfortunately we were knocked out by the eventual winners, but we put up a really good fight. It has been such a fun year with a great group of people and the new committee is Paddy Wildin (Captain), Graeme Cade (Treasurer), Emily Willdig and Emilie Hartland (Social Secretaries).

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

Many thanks to Alex Moynihan who took part in Cuppers at the end of the season and helped us to get through to the quarter-finals, and Cheryl Roussel whose interception skills managed to stave off many goals throughout the term.

CAPTAIN'S COMMENTS

The team has done exceptionally well this term; having won 4 out of the 6 matches, we have finished top of our league with the next team 6 points below us. Our goal difference is huge which indicates the competence of shooters Laura Wharton, Leland Burns and Holly Braine but also the proficiency of the rest of the team to set up those shots; as one of our players emphasised, this is a team sport. Indeed this term there really has been great morale which no doubt has helped us to succeed so well. An amazing way to end the season and, with Laura Wharton taking over as captain next year, hopefully we will continue to triumph now we have made it into the top division.

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

The more constant addition of Grace Lloyd has been of immense help to the team; in matches and at Cuppers she has been shown to be a fine player and I hope that she will continue with enthusiasm next year. Lucy Guile must be mentioned too for her great netball prowess; her energy and skills are insurpassable and she is totally committed to the team. An exceptional member of the team for her third year running.

CAPTAIN'S COMMENTS

Due to adverse weather conditions it was impossible for us to play all the scheduled matches; these will be rearranged for the beginning of next term. The results of the 3 we did manage to play are mixed but it was great to end on such a substantial win. After the matches at the beginning of next term I will be passing on the captaincy to Laura Wharton, one of our distinguished shooters. With any luck she will be able to move the Ladies' team into the next division.

CAPTAIN'S COMMENTS

We were very unlucky to have lost so narrowly on a few occasions but the team has been improving and the final match of the term proved what we are capable of. We lost most of our frames on the doubles so perhaps this is something that can be worked on in the future. With 2 more league matches left, there's all to play for and with a bit of luck, we'll finish the season high up on the table. For more results, see

CAPTAIN'S COMMENTS

Although the term's fixture list was frustratingly disrupted by the February snow, we generally continued to improve on the previous term's performances, increasingly playing as a team. Highlights included a drubbing of Sidney in the local derby and the butchery of a certain magic circle law firm. The trademark attacking flair was accompanied by gutsy defence against 2nd Division sides during Cuppers which, despite unflattering scorelines in the end, kept us on top for large periods in both games. The season was rounded off by a memorable Annual Dinner and the election of a new Committee which promises to take the Brown Rings from strength to strength next year. I would like to thank Dr David Norman on behalf of the team, for his continued patronage of the club, especially in speaking for us at late notice, and for his ongoing commitment to the thankless job of referee, without which college rugby clearly could not happen.

Alexandra Bryant	Women's Blues		Played at number 3 in the Blues
James Pearson	Men's 2nds	Contributed to Varsity success with win by 3 games to 1.	Played at number 3 for the 2nds
Daniel Tay	Men's 3rds		
Alqahir Ladak			

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

Special mention to James Pearson for playing his part in the Varsity win and playing high up at number 3 for the 2nd V. Also to Alex Bryant for playing in the Women's Blues Varsity for 2nd consecutive year.

CAPTAIN'S COMMENTS

A superb term yet again, continuing where we left off from last term and winning all but 1 match (controversial loss at that), leading to us being the Men's League 1 squash champions for the year! Solid start in Cuppers so far, already through to the quarter finals, and looking good to live up to our billing as top seeds and go all the way! Great effort from all who represented the college! Keep it up!

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

Both AJ and Alex played well for the University Grasshoppers in various matches and Nik Shah has moved up from the thirds and has debuted for the Grasshoppers.

CAPTAIN'S COMMENTS

Only one match this term, which was against the University Grasshoppers! As most of the Christ's team play for the Grasshoppers, it meant the match was challenging and more like an inter squad tournament. Nik Shah had a huge win in the singles but unfortunately we lost overall. We are looking to win Cuppers next term with a strengthened squad - anything less would be disappointing after losing in the final last year, and the semis the year before that.

NOTABLE INDIVIDUAL PERFORMANCES AND ACHIEVEMENTS:

Once again, McLoughlin was average to good, providing some much needed Britain stash to our team (although it paled in comparison to the beautiful new stash sported by the other members of the team who were clearly more proud of their college than their countries!). O'Halloran scored many times and is a strong contender for the captaincy next year (the only contender in fact). And Mr. Longman, scoring more goals on his debut than the captain in his whole season, was just fine! Everyone else was awesome.

CAPTAIN'S COMMENTS

It was yet another brilliant year for the best team in college, having lost the match we were expecting to lose but then having played some friendlies in which everyone scored. We are V. ready for coppers which takes place in a fortnight after term starts and once more Christ's will have a coppers winning team.

Presidents Review

The Marguerites Club completed the perfect season this term, convincingly winning all of their remaining fixtures. It has been a busy term for the members of the Club who have continued to excel in their representation of both the College and University across all major sports. Living up to the club motto of "more than mere athletic distinction" the Marguerites also managed to fit in seven official evening fixtures, a bop, the annual dinner and a joint CCAFC and CCRFC Old Boys weekend into an already busy lent term.

On the field noticeable performances have come from Marguerites Didi Akinluyi (matr. 2005), Rob Bartlett (matr. 2005), Danny Longman (matr. 2005) and Nick McLoughlin (matr. 2007). Didi Akinluyi won the indoor Varsity shot put competition, whilst Rob Bartlett represented the Stymines (University Golf 2nd Team) vs Oxford. Ex-Marguerites President Danny Longman's gallant world record attempt to row the Atlantic came to a frustrating end when his vessel hit a whale, breaking the rudder beyond the state of repair. The damage forced the crew to abandon their attempt amidst gale force winds and 26ft high seas and await rescue from a Russian cargo ship. Up until this point the crew were on course to break the current world record. The terms outstanding performance should however go to Nick McLoughlin. Nick captained the Blues waterpolo team to a fantastic victory over Oxford at Kesley Kerridge. Trailing 5 - 8 in the 3rd quarter Nick rallied his side, supported by a large and vocal crowd, to a thrilling finish.

Back in College and Women's Officer Ed Minor (matr. 2006), Secretary Charlie Ferguson (matr. 2006) and President Jonny Thompson (matr. 2005) have continued their fine work of ensuring the club have had a constant flutter of fine young ladies keen on finding out what sporting excellence means.

The Marguerites fitted seven fixtures into the term, even daring to travel as far as Girton one evening, an evening during which Di'yonce first showcased his now legendary moves. Other notable memories from the evening fixtures include the array of neon tights during the Neon Nu-Rave theme, the fine sculpted guns on show during the Army themed swap with the Gym Slips and finally some inspired Noah's Ark Costumes as the Marguerites went in two by two with the University Lacrosse girls to the Curry King.

With the function room in the newly refurbished Lasdun Building once again available for student use the Marguerites hosted their first bop in the College since "The Dionysian" (Valentines 2007). The Club throws these parties every term to allow students to escape from the stresses and strains of academia. The bop was enjoyed by many and as well as the traditional three cocktails it included for the first time "I heart the Margs" and "The Margs heart me" stickers. "Famous Couples" was the chosen theme and students were encouraged to come dressed as famous couples past, present or future which gave a lot of room for creative interpretation - the portrayal of famous Christ pair "Dom and Gianni" being just one example.

The Marguerites finished their term with the traditional annual dinner, a scrumptious seven course affair in the Old Combination Room with preprandial fillet steaks on potato rosti and drinks in the Mountbatten Room. The Marguerites invited back Old Boy, Marguerite and Olympic Gold medalist Kieran West as a guest speaker for the evening. He brought his Olympic Gold from Sydney with him for a show and tell. The current Marguerites in residence enjoyed posing for photos with the winning medal drooped around their necks whilst listening to the accompanying story about what really happens in the Olympic village! ("...now I didn't get any so some lucky ... got 14 on me!"). At the end of the meal the current committee resigned and after an incredibly strongly contested election the following committee was elected for 2009/2010.

President	Andrew John Nowell (matr. 2006)
Secretary	Chris Blake (matr. 2007)
Treasurer	Gianni Consoli (matr. 2007)
Women's Officer	Dom St George (matr. 2007)

The G.L.Jessop Blazer, the maroon Club Presidents Blazer, was thus handed over to the new Marguerites president, Andrew Nowell, to whom the whole club offers their best wishes for a successful year both on and off the pitch.

As a club we look forward to Easter term. Our best wishes go to all of those involved in sport next term, we particularly think of those with Varsity selection this term (Cricket and Tennis) and wish them the best of luck. We also offer our support to the Boat crews as they compete in May Bumps.

Off the pitch and we of course have our eye on Sunday June 14th – we look forward to seeing you in the fellows garden for cocktails to kick May Week off in serious style!

CAMBRIDGE LACROSSE

The women's university lacrosse team has had another excellent season. Sadly we lost in the semi-finals of the BUCS Championship but the Varsity match was a huge success. As co-captain of the team, I am also the coach for the whole squad (Blues and Kingfishers (2nds)) so the triumph of both teams was equally important for me.

The Kingfishers were playing a very strong Oxford 2nd team who had comfortably defeated them earlier in the season. It was always going to be an uphill struggle and the Cambridge girls put in an excellent fight right to the last minute, including a super goal from Christ's Calista Jane East. Despite trailing all match, Cambridge managed to score an equaliser in the last few minutes and everyone was delighted that Oxford's assurance of victory had been blown as the final score was 5-5.

After watching both men's and mixed teams be defeated by their Oxford counterparts, the Women's Blues team was determined to end the season on a high. Despite a minor panic as one of the starting line-up received a ball in the face two minutes prior to the starting whistle, the team went on to the pitch looking calm and positive. A real strength of our team is that we work so well together, on and off the pitch. Scoring the first goal was a huge confidence boost and the match continued with the Cambridge team maintaining the upper hand.

I had been suffering from a knee injury for 6 weeks but was determined to play in our final match of the season. However, at half time the pain in my knee was so acute that I couldn't stand and so I had to sit out the second half. As a defensive player, there is nothing worse than watching your team from the sideline without being able to get involved, especially when Oxford closed the gap to two goals with ten minutes to go. But the Cambridge girls are never known to give up and they fought right till the end, resulting in an 8-5 victory for the Light Blues. When the final whistle went I have never felt such a mixture of pride, happiness and just pure relief. Everyone knows the result of the varsity match is really what dictates whether your season is a success, and ours certainly was.

Gen Gotla (Christ's, Lacrosse Blues Captain)

CAMBRIDGE WATERPOLO

On the 7th February 2009, Cambridge hosted the 109th Water Polo Varsity Match at Parkside Pools, Cambridge. Following last year's exciting finish in Oxford, with the Dark Blues equalising in the last second of the game to secure a 10-10 draw, this year was sure to provide a hotly contested affair. Add to that 4 internationals, two of the top 8 teams in the country, and a ferocious BUCS match 2 weeks earlier which saw Cambridge throw away a 2 goal lead to lose 8-7, and a superb game was always on the cards.

The Light Blues were slow out of the blocks, falling behind 3-1 after the first few minutes, only to pick themselves up and end the first quarter trailing by one at 4-3. Further exchanges of goals in the next quarter saw the score remain close, Oxford taking a 6-5 lead into the second half.

Yet again it was Oxford who were sharper from the off, and were looking comfortable at 8-5 with only 3 minutes of the third quarter remaining. The next few minutes however were to turn the match on it's head, and ultimately decided the course of the game.

A nothing short of heroic effort saw the Light Blues pull back 3 goals within the remaining 3 minutes of the quarter, completely flattening Oxford's momentum, and getting the crowd right behind them. Entering the final quarter, the noise created by the crowd was so much the referees had to hold proceedings before finally getting underway again. Momentum was finally with the Blues for the first time in the match, and the writing was on the wall for a superb final quarter of water polo. Never ones to disappoint an increasingly nervous crowd, Cambridge fell behind yet again, only to respond with a quick fire double and take the lead for the first time in the match. Once more the scoring stayed close, never more than one goal between the sides, before the Light Blues finally put some daylight between themselves and their ever tiring opposition. Oxford were a broken side, and Cambridge went on to add to more to the total, leaving the final score at 15-11. The scale of the achievement in the final 11 minutes is something which cannot go unmentioned; the Light Blues put 10 goals past Oxford, and finished the match with nine different goalscorers on the score sheet, in comparison to Oxford's four.

Nick McLoughlin (Christ's, Waterpolo Blues Captain)

TRANSATLANTIC ROW UPDATE

The preparation for the Atlantic record-attempt expedition was completed by the planned departure date of 31st December 2008. Unfortunately news of a storm front heading towards Gran Canaria delayed the departure. Danny Longman and La Mondiale rowed out of the harbour in Puerto Mogan, Gran Canaria to begin the 3,000 mile journey at 6pm on Sunday 4th of January, Marg's tie proudly around his neck and rugby t-shirt donned, to the sound of hundreds of yachts sounding their horns. The crew began well in their attempt to break the current record of 33 days, 7 hours and 30 minutes, aiming for their target of 90-plus miles a day. On the first night they encountered stormy weather, but still managed to post 109 miles (175km) for the first 24 hours. Despite a few members of the crew suffering from seasickness, nobody missed a shift and La Mondiale continued at great pace on her journey to Barbados. On day 6 she reached the trade winds, and the speed improved further, with an average miles per day in excess of 100.

On day 9 the crew were on target to break the world record for the furthest distance ever rowed at sea in a 24-hour period. The record stood at 117 miles, and with 3 hours left in the day La Mondiale were hopeful of hitting 125 miles. However, as the day was drawing to a close La Mondiale suddenly lurched and span 360°. When the skipper investigated, he found that the rudder had detached from the stern of the boat. The exact cause of the rudder loss was unknown, except that there had been a pod of killer whales swimming along side La Mondiale earlier in the day, possibly knocking the rudder weakening its connection, and that there had been reports of semi-submerged containers in the area.

The order was given to deploy the sea anchor, and work began in an attempt to fashion a new rudder using the boat's dagger board. The team worked through the night in treacherous storm conditions with 8m waves crashing over the boat, and by midday on day 10 the repairs had been completed, and the crew began rowing to test the new rudder. The new design required the rudder to be manned at all times, in a system similar to the traditional tillers used in the past. Unfortunately the lever was not long enough, and the helmsman could not fight the strong trade winds to keep La Mondiale heading in the correct direction. Before long the boat was once again uncontrollable and the ropes used to fix the dagger board to the stern had frayed and weakened. Once again the sea anchor was deployed.

The safety of the crew was becoming of great concern to the skipper as the weather deteriorated into a force 7 gale with 10m waves. On day 11 he made the decision to issue an SOS call, and at 11.30pm on day 12 the 40,000 ton vessel Island Ranger arrived to greet the tiny rowing boat. The crew had to climb 50 feet up a rope ladder in stormy conditions, but despite this all 14 members of the crew made it to safety. After seven days on board Island Ranger, the crew arrived in Algeciras, Spain.

Danny hopes to be able to have another crack at the record soon, hopefully within the next 2 years. In the meantime he is entering the famous Race Across America with Christ's student Didi Akinluyi. They will be cycling the 3000 miles from the west to east coast of the USA in a non-stop race in June 2010. If anyone is interested in hearing more about the sponsorship opportunities of either event please don't hesitate to contact Danny at dl329@cam.ac.uk or 07773 314 914.

CHRIST'S COLLEGE OLD MEMBERS' SPORTING BURSARIES 2009

On March 5th Dr Robert Hunt as senior tutor awarded Old Members' Sporting Bursaries to Alexandra Bryant and Nicholas McLoughlin.

Alexandra has been awarded this year's Richard de la Hoyde sporting bursary (in commemoration of the late Richard de la Hoyde, Christ's 1977-80). She is a Full Blue in Squash, being number 3 in the first University team. She is also Captain of women's hockey and tennis in College, as well as playing men's and mixed hockey and men's squash. She is captain-elect of the University women's squash team and was our one winner in the 4-1 defeat to Oxford. Alexandra is in her second year reading Natural Sciences (Chemistry).

Nicholas McLoughlin is Captain of the University Water Polo team that recently won the Varsity Match (held on Valentine's Day, with a final score of 15-11). He received a sporting award associated with the name of the late Wilfred Wooller (Christ's 1932-36). Nicholas is in his second year reading Mathematics.

These two awards, together with several smaller awards to other outstanding sportsmen and women in the College, were made from funds raised by Old Members.
