How we use your personal data

This statement explains how Christ's College ("the College", "we" and "our") handles and uses information we collect about event organisers that use College facilities ("you" and "your"). In broad terms, we use your information to manage the event(s) we either host for you or otherwise provide facilities, as well as maintain our records of previous, current and future clients for events business for the College.

The controller for your personal data is Christ's College, St Andrew's Street, Cambridge CB2 3BU. The person within the College responsible for data protection, and the person who is responsible for monitoring compliance with relevant data protection legislation, is the Bursar, Michael Parsons, bursar@christs.cam.ac.uk. This is the same address to contact if you want to exercise any of your data protection rights, including requesting copies of personal data the College holds about you.

The Data Protection Officer for the College is Intercollegiate Services Limited (ISL), 64 Bridge Street, Cambridge CB2 1UR; email: dpo@isl.colleges.cam.ac.uk. ISL should be contacted if you have any concerns about how the College is managing your personal information, or if you require advice on how to exercise your rights as outlined in this statement.

The legal basis for processing your personal information is that it is necessary in order for you to enter into a contract to provide events facilities and resources to you. We will retain your information for the periods stated below unless or until you request us to do otherwise.

We collect and process your personal information for the following purposes:

A. Maintaining clear contact information for the booking, provision and payment of events.

We will hold your name, address, email address, phone number and other relevant contact details you provide to us and will use this information to maintain contact with you to provide your requested services, manage their delivery and bill you for them. We retain this information in our records for four years after the most recent event we

host for you, and for seven years in our financial records (due to statutory requirements).

B. Providing you with details about future event provision services.

While we retain your contact information, we will not contact you about our services, unless you have opted in to doing so. You may unsubscribe from such communications at any time.

C. Provision and management of services for your event.

The provision or management of your event by us might require you to provide us with personal information relating to your event delegates (such as name, dietary requirements, accommodation requirements, etc.). This may include the provision of sensitive personal information. We will not retain this information for any longer than necessary for the provision of the specific event, and no longer than 12 months unless agreed otherwise with you, which might require you to provide it on successive occasions. We will assume that you have obtained the consent from your delegates for us to hold their personal information for that purpose.

We do not share personal information with third parties. If you have concerns or queries about any of these purposes, or how we communicate with you, please contact us at the address given above.

We also operate CCTV on our Domus site which will capture footage. Our CCTV policy can be viewed on our College website at <https://www.christs.cam.ac.uk/college-administrative-information-and-policy-documents>.
